

LPFA Fundraising Sub-Committee

The Fundraising Sub-committee is required to:

- a) Review and vet the many fundraising offers the LPFA receives.
- b) Advise the General Committee of a fundraising plan to support commitments the LPFA may make to contribute to the College.
- c) Submit to the LPFA General Committee any fundraising plans for approval.
- d) Is responsible to the LPFA General Committee.
- e) Made up of LPFA members.
- f) Forward any appropriate fundraising offers to College Community Liaison (currently Mrs Maureen Lonsdale) for passing onto other fundraising groups within the College.

As per the LPFA Constitution: Money Raising

15. Where assistance groups undertake fund raising, money raised is to be remitted to the LPFA General Account and accounted for separately by the Association Treasurer of the LPFA. Money raised is only to be expended on LPFA-approved projects.
16. Any other organisation associated with the College - e.g. Loyola Staff Association, Loyola Students' Council, etc - requesting the assistance of the LPFA with the conduct of an activity is required to:
 - a) Gain the Principal's approval for the activity before approaching the LPFA;
 - b) Agree to the division of profit or loss resulting from the activity calculated on a percentage basis proportional to the involvement of the two bodies.
17. The LPFA cannot, on its own behalf, borrow money from any outside organisation. It can, however, borrow money from the College through the Principal with the view to undertaking any major development within the College.

LPFA Projects

18. The LPFA Committee will periodically produce a plan of the major projects to be supported by fund raising activities. Approval of the Principal and the College Board is necessary before grounds development is undertaken to ensure the LPFA-sponsored projects are consistent with long term development plans for the College. Major projects are to be costed and a budget established to ensure the LPFA is capable of funding planned expenditure.
19. Minor projects may be identified for LPFA sponsorship. Before minor projects are adopted as approved LPFA projects, they must be:
 - a) Approved by the Principal.
 - b) Supported by a two-thirds majority of the LPFA Committee members present at the meeting at which the decision is to be taken.
and
 - c) Capable of being funded within the budget.
